MECCANO ACCESSORY OUTFITS

Each Meccano Outfit can be converted into the one next larger by means of an Accessory Outfit. A No. 0 Outfit can be converted into a No. 1 by adding to it a No. 0a Accessory Outfit, and a No. 1a would then convert it into a No. 2. In this way, no matter with which Outfit a boy begins, he can build it up by degrees until he has all the parts contained in the largest Outfit.
