BAYKO

You'll build it better with BAYKO

Open a Bayko Outfit! . . . there is everything a builder needs . . . bricks of various shapes and sizes, windows, doors, roofs . . . all plastic moulded in colours. Build houses, railway stations, airports—anything you like, working from the simple Bayko plans. Girls, as well as boys, enjoy the fun and fascination of this ideal miniature building system.

Four Outfits are available (Nos. 11, 12, 13 and 14). These Outfits are connected by Accessory Outfits Nos. 11c, 12c and 13c. A No. 11 Outfit can be converted into a No. 12 Outfit by the purchase of Accessory Outfit No. 11c. Then a No. 12c would convert it into a No. 13 and so on. Spare parts can be bought separately (in any quantity) so there is practically no limit to the sizes of the models that can be built.

This suburban scene illustrates the charm and appeal of Bayko dwellings. It is brought to life by the introduction of a few Dinky Toys.
