

# SPARES FOR YOUR GIRDER AND PANEL BUILDING SETS and BRIDGE AND ROADWAY SETS

---

All Girder and Panel Building Sets contain sufficient parts to construct the buildings shown in the Planning Book. Additional sets, always available at your retailer, may be used with your present set. Unusual and impressive buildings can be constructed by combining foundations and other parts of the sets. If, however, you want only some extra parts, these are available in the following packs, each selling for 2/6d. If you have any difficulty in obtaining them please write to us direct; but many toy stockists now carry these spare packs.

## EACH PACKET COSTS 2/6

### GIRDERS
