

CONSTRUCTION KITS are available in different colors to enable you to assemble a large variety of colourful models. Some of the many possibilities are illustrated on this page.

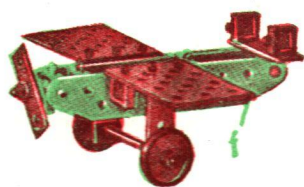

LOW LOADER

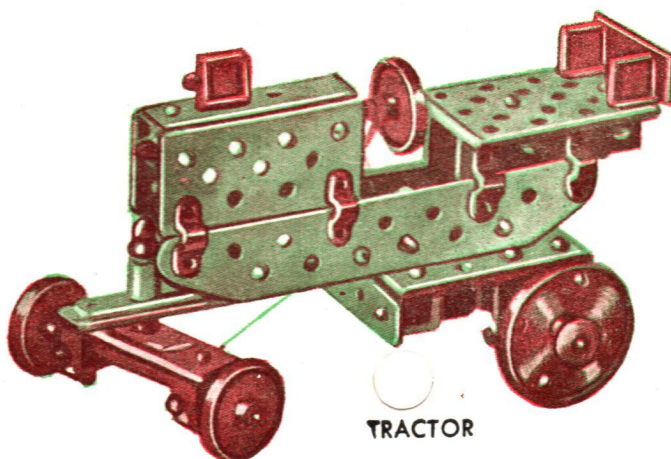

LUGGAGE TROLLEY

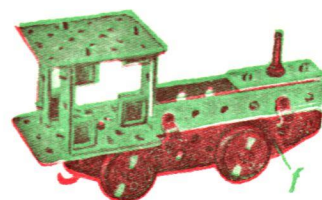

FORKLIFT TRUCK

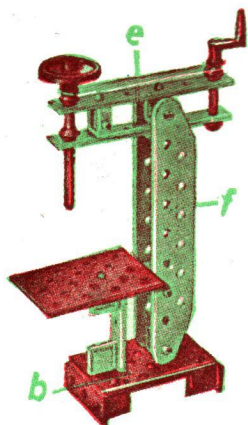

AEROPLANE

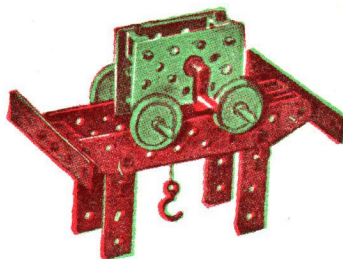

TRACTOR

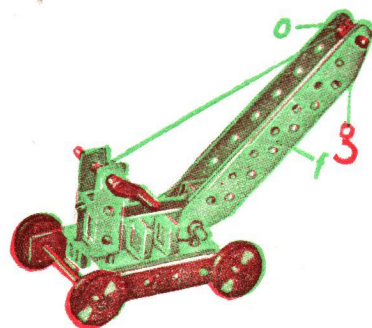

SHUNTING ENGINE

DRILLING MACHINE

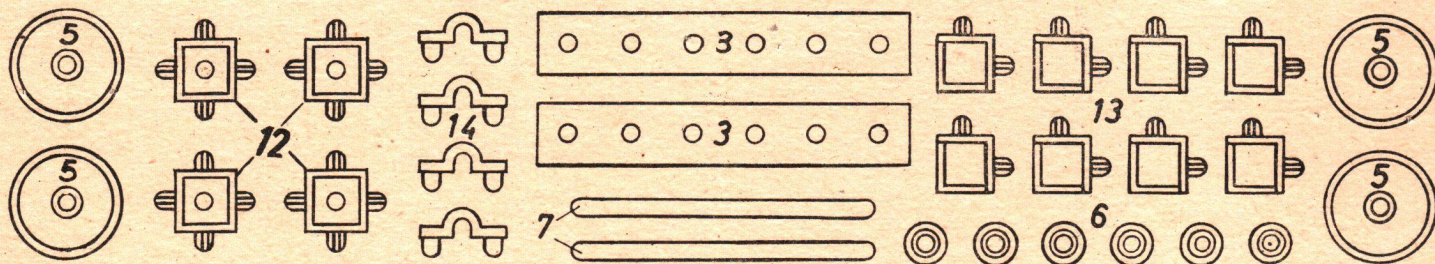

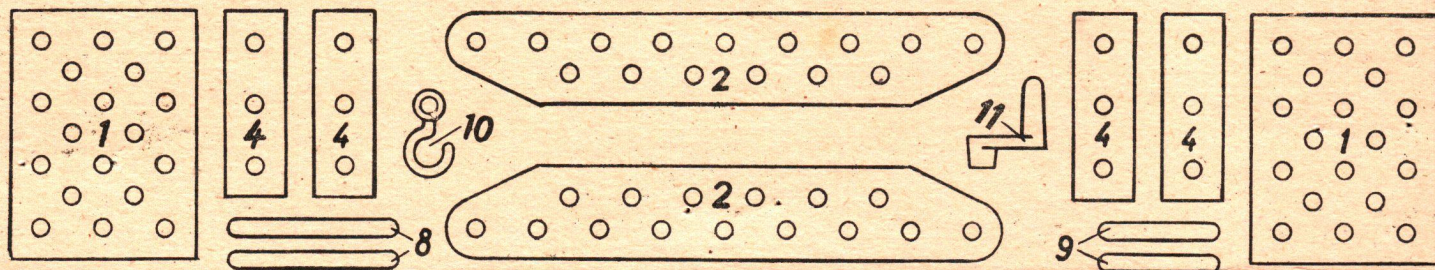

WINCH

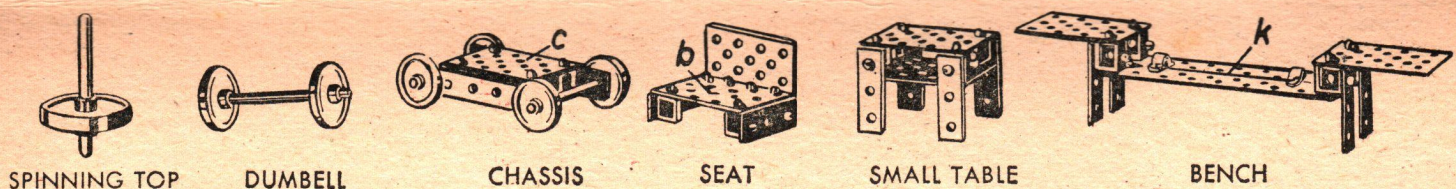

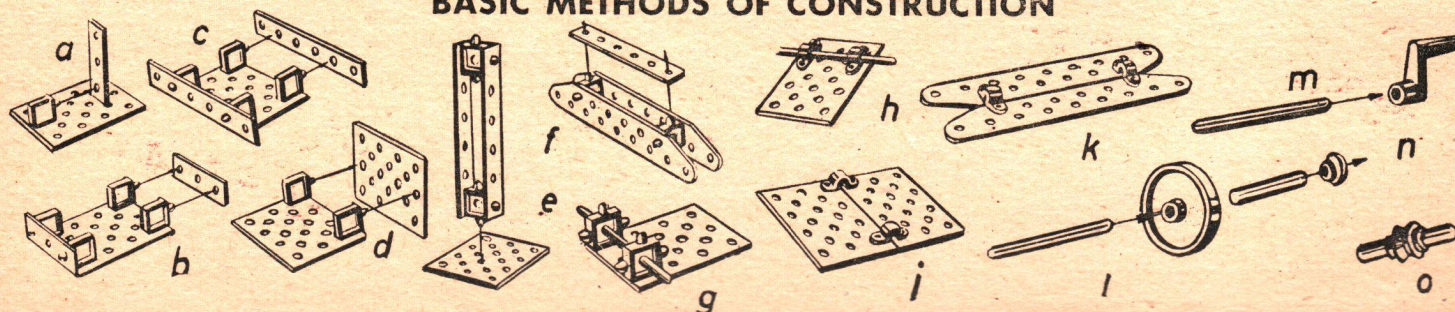

MOBILE CRANE

All Models shown on this card can be assembled from 1 Series A Construction Kit. Series B contains many different pieces, and a combination of both A and B enables larger models to be assembled such as the above tractor
