## METAL CONSTRUCTION SET

LAND ROVER

METAL CONSTRUCTION SET

Since its inception as a design by Maurice Wilks in 1947 and then launch in 1948 the Land Rover has been at the forefront of 4x4 vehicles from the very beginning.

Learn the technical and mechanical diversity of modelling as you build this timeless construction set.

Featuring clear easy to follow colour instructions, high quality stainless steel pieces and specialist tools to complete the job, this fabulous construction set will give you hours of fun.

This is the perfect gift for adults as well as your little engineers! Parental Guidance recommended.

#### FEATURES

#### WARNING: CHOKING HAZARD - Small parts.

Not suitable for children under 3 years of age  
Remove or dispose of all packaging (including polybags) safely before giving to children.

#### THIS IS NOT A TOY

Recommended for children 12 years and over.  
Parental supervision advised.

#### 0-3 AGE WARNING: EN 71

European standard EN 71 specifies safety requirements for toys.  
Compliance with the standard is legally required for all toys sold in the European Union.  
Not suitable for children under 3 years of age due to small parts  
which may cause a choking hazard.
