METAL CONSTRUCTION SET

Now you can build your very own yellow Robin Reliant at home with this detailed metal construction set. Learn the technical and mechanical diversity of modelling as you create this iconic "Del Boy" van.

Featuring clear easy to follow instructions, high quality stainless steel pieces, the main body sprayed a traditional yellow colour and specialist tools to complete the job this fabulous construction set will give you hours of fun.

This is the perfect gift for adults as well as little engineers, this set helps children to develop their fine motor skills, improve manual dexterity and learn basic engineering skills. Parental Guidance Recommended.
