BRIX BLOX[™]
 INSTRUCTIONS

Sears, Roebuck and Co.
 Sears Tower
 Chicago, Illinois 60684

Giant Size Brix Blox are designed for use by young boys and girls ages 3 to 6. Some parental assistance may be required to make some of the objects shown in this leaflet.

The purpose of Brix Blox sets is to encourage young children to create structures of their own imagination, and to improve manual dexterity. This leaflet is intended to give some idea of what can be made. All the items shown cannot be made with every set.

Brix Blox are non-toxic, but should be kept out of the reach of very young

children, who may try to swallow them. Brix Blox may be washed with a mild detergent and warm water.

If you have any problems with your Brix Blox set please write to the address below. Be sure to include your name, address, and the number from the side of the pack.
