

HAVE FUN...

with these career-building GILBERT SETS

Hatch Real Shrimp With GILBERT MICROSCOPE SETS

Now you can explore the wonders of Nature—even hatch real shrimp from eggs, included with many Gilbert Microscope Sets! In just one hour, the eggs hatch; soon shrimp are fully grown and swimming! Only Gilbert Microscope Sets have this great feature—plus precision Microscopes, up to 750 power with new Power Projector. Set No. 22 shown here is \$21.50.* Others from \$5.50.*

Perform Thrilling Experiments With GILBERT CHEMISTRY SETS

Now Gilbert gives you more chemicals, more apparatus, more experiments. Grow an indoor garden, do exciting atomic energy projects, F.B.I. fingerprinting, chemical magic, glass blowing. Each outfit a complete home laboratory, most in steel cabinets. No. 15 Set shown has 6 shelves of chemicals, balance, alcohol lamp, 3 big illustrated books, \$15.95.* Other sets from \$2.95.*

Make action models with your own ERECTOR SET

Build a Ferris Wheel, Parachute Jump, Magnetic Crane, Dock Hoist—even a Giant Robot that walks by itself! Work with gleaming steel girders, gears, plates and other parts, watching them grow into exciting models. Plan your own or build designs that come with set. Many sets have powerful electric motor for real-life action.

No. 8½ Erector Set shown here has nearly 16 lbs. of parts. Includes Electric Motor and Flex-o-Matic Coupling. Big steel chest, \$27.50.* Other sets from \$2.50.*

*Most prices slightly higher Denver and West.
