This set includes;
1 Willys MB Jeep model,
392 pieces, 2 specialist tools,
step-by-step instructions

Produced between 1941 – 1945 this U.S. Army Jeep was the four-wheel drive utility vehicle that enabled light, cross-country over-ground travel during the Second World War. Now you can build your very own Willys MB Jeep at home with this all-inclusive construction set.

Also available:

Supermarine Spitfire

HMS Belfast

Lancaster Bomber

Sherman Tank

Recreate the iconic Willys MB Jeep with this all-inclusive construction set.
