

HOLLYWOOD U-BUILD-IT

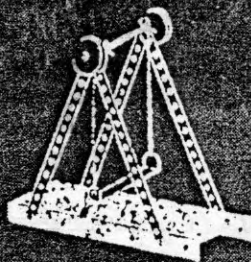

U.S.A.

TYPE : Constructional Engineering
 HOLE DIA 4.8mm HOLE SPACING 11.1mm and multiples
 SETS IN SYSTEM 1 only
 DIFFERENT PARTS 12
 COLOUR Natural Aluminium
 FIXING METHOD Nut and bolt - 6-32
 MOTORS None
 PERIOD Possibly from the 1930s till after WW2
 MANUFACTURER F.K. Haas, Hollywood, California
 COMMENTS Can be identified by the twin small holes in the Strips.
 Except for the nuts and bolt, all parts are aluminium. The small holes
 in the strips are 1/8" dia. and are too small for the 6-32 bolts used.
 OTHER SYSTEMS 11/287
