BASIC FITTINGS

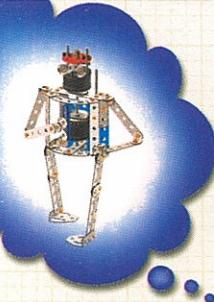

Dear Friends !
Zephyr brings yet
another International class
engineering set
of Mechanix for you.
To have fun & learn.
This set contains
155 pieces,
crafted from high quality
Steel, which are powder
coated, superior plastics
&
selected tools
which will be
friendly to your
little hands so that
you have fun
while creating
various models.

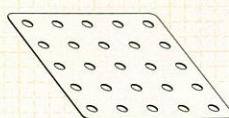

You can use these parts
over & over again
to create at least
20 models and
may be many more
as far as your
imagination flies.

So come on get started!
