

THE Present for Boys

STUDY the boy this Christmas. Keep him happy and make him handy, Give him Primus. With Primus he can make such perfect models that he'll feel he is a *real* engineer. Primus contains wooden parts, as well as metal ones, to correspond with the original. Boys from the age of six upwards, are delighted with Primus; it keeps them happy for hours together and they learn while they play. Primus Engineering is the perfect toy for boys.

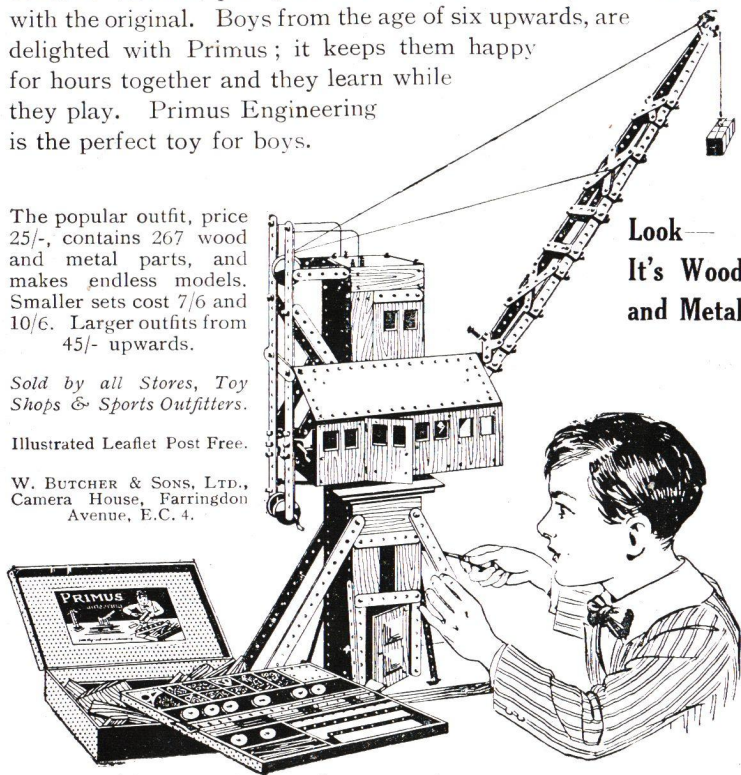

The popular outfit, price 25/-, contains 267 wood and metal parts, and makes endless models. Smaller sets cost 7/6 and 10/6. Larger outfits from 45/- upwards.

Sold by all Stores, Toy Shops & Sports Outfitters.

Illustrated Leaflet Post Free.
